TSG Systems

“Providing you and your staff with more time to better serve your customers”

TSG provides a fully integrated range of payment solutions, designed to meet the specific needs of the service station market. All types of payment can be seamlessly integrated with and connected to various devices at the station, such as fuel dispensers, coffee machines, car wash, vacuum cleaners, etc.

TSG also offers mobile payment and integrated loyalty applications that enable fuel stations to offer a comprehensive payment portfolio suitable for meeting their current and future customer needs.

Service you can rely on

Being an Oracle Gold Partner for Prism & Iridium enables our experienced technical helpdesk team, at our dedicated office in Exmouth, to support all your hardware and software requirements.
