

Customer Counter

Customer Count and media screen

TSG Systems Customer Count & Media Screen solution can be linked to in-store person count management software to keep customers safe and shops compliant with Government guidelines. The screen can be located just outside the shop entrance, or when in-store and count management is no longer a requirement, be relocated to any position within your store to provide the best media advertising opportunity.

- Opportunity to reduce staff cost
- Works in and outdoors
- Customised advertisement platform
- Touchscreen option available
- Easy to relocate
- Sleek hardware offering

Retail fuel forecourts: multiples, independents, supermarkets and fuel distributors.

Transport & infrastructure: haulage, bus, rail, air, government, utilities and construction.

Business & leisure: distribution, workplace, hotels, education and marinas.
